Report from your County Councillor, Cllr Steffan Aquarone

Update on Holt Hall

I'm pleased to report that Holt Hall has successfully obtained "asset of community value" status, which means the County Council's widely condemned plans to sell it on the open market have been put back by six months to allow the local community time to seek an alternative, which would include ongoing provision of outdoor learning facilities.

I have received more correspondence on this matter than anything else since I first got elected in 2017 and it is clear that thousands of people in Norfolk have strong memories of their experiences of outdoor education there - something young and older people alike need more of in this era of ecological consciousness.

Availability of vaccines in North Norfolk

First of all I would like to thank the staff of Norfolk County Council who have been working for nearly a year now to ensure the continued delivery of services where available.

Much has been made about the lack of vaccination facilities in North Norfolk. The Covid-19 vaccinations programme started at NNUH on 9th December and as early as last week, I received reports from people in Swanton Morley that they had been vaccinated. Yet at that time there were no facilities in any of North Norfolk (constituency; Fakenham surgery was part of the next wave, early in the New Year).

I think it is shocking that an area with such a vulnerable demographic is yet to receive the vaccine. Indeed the Minor Injuries Unit in Cromer was closed to allow staff to help at the NNUH. The good news is that, at the time of writing (11th January), it looks like we should be receiving supplies to our GP-led hubs in the next week. At least nine are set to join the programme this week, including:

Drayton Medical Practice
Sheringham Medical Practice
The Market Surgery, Aylsham
Manor Farm Medical Centre, Swaffham
Poringland Community Centre
Gurney Surgery, Norwich
Hoveton Village Hall
Rossis Leisure, North Walsham
Snettisham Surgery

I know of neighbours near North Walsham who have received letters (but not yet appointments) and so hopefully, the continued roll-out will reach us soon.
